## **INSTRUCTIONS**

### **ONLINE BOOKINGS**

Online bookings are made direct in CBDWeb, logging in via [Member Bookings – The R.A.N. Ski Club \(ranskiclub.com.au\)](http://ranskiclub.com.au)  
Online Bookings are confirmed at the time of booking.

### **OFFLINE BOOKINGS**

Offline bookings may be made in the following circumstances:

- If a member, for whatever reason, is unable to utilise the CBDWeb system
- For all ‘Whole of Lodge’ Bookings
- For all Band 1 (Priority) bookings

There are two methods of making an offline booking:

- Phone the Booking Officer, (0930 to 1430, Tuesday to Friday) on (02) 6106 9900
- Post the completed booking form to:

The R.A.N. Ski Club  
24 Bouganville Street  
GRIFFITH ACT 2603

Bookings will be processed on a first-come first-served basis.

### **BOOKING INVOICES**

Online bookings automatically generate an invoice to the Member’s page.  
Eway credit card payment is the method of payment for online bookings. This incurs a 1.4% surcharge.

### **GUEST BOOKINGS**

Guests of Members can only stay at our lodges when included on a group booking made by the host member. The host member must be present at the lodge for the duration of the booking. In the event where the host member needs to depart earlier, the guest must also depart the lodge.

### **PAYMENT FOR GUEST BOOKINGS**

The entire group booking is to be paid for by the Member. The Club cannot accept payments from guests of members. Likewise, this applies to any amendment to, or cancellation of a booking. These can only be accepted from the host Member.

### **MAXIMUM CONSECUTIVE STAY**

During the season, the maximum number of consecutive days a member can stay at any of our lodges, is 28 days. Requests for bookings exceeding 28 days, will be actioned as follows; the first 28 days will be processed as a maximum night booking. In fairness to all members, the remainder of days in excess of 28 days will not be processed until the beginning of the season (i.e. June Long Weekend).

Persons wishing to extend beyond 28 consecutive days, must be absent from the lodge for a minimum of two days before being eligible for a further stay.

### **MULTIPLE-BOOKINGS**

To maintain an equitable allocation of accommodation, bookings for more than 7 days (e.g.,14 days) will be considered as multiple bookings and thus treated as separate applications (2 x bookings at 7 days). Consequently, bookings submitted via the Offline Booking Form for multiple bookings must be on separate booking forms. Offline Booking Forms with multiple bookings will be unactioned.

### **TRANSFER OF BOOKINGS**

CBDWeb cannot support transferring bookings from one period to another. Where a member requires to change their booking to a different date, the first booking must be cancelled and a new booking made for the different date. Cancellation rules apply. Bookings are not transferrable from one host member to another host member. The person hosting the group must be the person making the booking.

## A.B.N. 24 004 590 569

Members may replace guests or other members within their booking subject to the prior agreement of the Club Booking Officer (or the Lodge Manager for Last-minute Booking changes). You cannot book for a member and then replace that person with a guest.

Such transfers may be rejected where there is a waiting list or where the proposed change cannot be accommodated because of bedding allocation limitations.

### WAIT LIST

If at the time of booking, the requested period is not available to a member, the member can request to be placed on a waiting list for that period. **By being placed on the waiting list, the member accepts that if the period subsequently becomes free, the member is required to pay the full amount of the booking and will be charged accordingly.** If a member does not want to be placed on a waiting list, they are to specifically state this at the time of the initial booking request.

### LAST-MINUTE BOOKINGS

Lodge Managers usually control accommodation for the following week from the time the booking sheets are finalised, normally Thursday of the prior week. From this point, members may continue to make online bookings, but should contact the respective lodge manager directly for all accommodation enquiries and last-minute opportunities.

### CABIN ALLOCATION

Family Member Bookings - Family Members 18 years and over may stay in the lodges without their related Ordinary or Associate Member being present.

Family Members under 18 years must be accompanied by an adult member aged 18 and over.

Age / Gender - The combination of members' age and gender can, at times, affect occupancy, reducing it to below full capacity.

Children - There is no special rate for children: they are classed as either a member or a guest and the applicable member or guest nightly rate will be charged.

### SINGLE MEMBERS/GUESTS

Accommodation is sold on a 'bunk' basis. Members making a booking in winter for one person may be required to share with another single member of the same sex. Members who prefer not to share a cabin can book sole occupancy by paying the applicable rate for all beds in the cabin.

Adult single members will not be allowed to share a cabin with an unrelated child.

### GREEN SEASON BOOKINGS

Bookings for the non-snow season can be made in accordance with the Green Season booking periods as promulgated.

**Thredbo Lodge** – As Thredbo village is an all-year resort, the Thredbo Lodge is open for individual and Whole of Lodge (WOL) bookings through the season with a resident manager in situ.

**Mt Buller Lodge (Breathaker Lodge)** – May have a manager at various key periods and is also available for WOL bookings.

**Perisher Valley Lodge** – May have a manager at various key periods and is also available for WOL bookings.

### CANCELLATIONS

The Club's booking cancellations policy is as set out in By-Law 3 and summarised on the Accommodation Rates form.

Members should be fully conversant with the cancellation policy prior to committing to a booking.

Members are encouraged to consider taking out their own private travel insurance to protect themselves against unforeseen events.
